

## **SECOND ANNOUNCEMENT**

### **INTERNATIONAL SYMPOSIUM ON MATERIALS SCIENCE**

The Institute of Materials Science and Technology (IMRE) of the University of Havana, within the framework of the Saber UH 2025 International Scientific Convention, invites the national and international scientific community to participate in the International Symposium on Materials Science, to be held from May 27<sup>th</sup> to 29<sup>th</sup>, 2025. The International Symposium on Materials Science will be a space for the presentation of research results at the level of basic and applied science, it will allow the exchange of experiences, debate, and the presentation of research projects. In this way, it will be an excellent scenario for the exchange of knowledge, for the scientific, academic, and business communities in the field of materials science and technology.

Visit our website [conventionn.uh.cu](http://conventionn.uh.cu)) for more information about each event. We hope to have your valuable participation in the second edition of the International Scientific Convention Saber UH 2025
