

First call

The Anthropological Museum Montané, The Cuban Association of Biological Anthropology and the Chair of Anthropology “Luis Montané” of the University of Havana, invite you to

Anthropos 2025

Challenges and perspectives of Biological Anthropology

which will take place as part of the. INTERNATIONAL SCIENTIFIC CONVENTION OF THE
UNIVERSITY OF HAVANA

Saber UH 2025

May 26 -30, University of Havana, Havana, Cuba

This event will represent a special opportunity to communicate the progress of scientific research in the fields of Biological Anthropology, identify new opportunities and exchange results. The Organizing Committee will ensure a high scientific level, which will include plenary lectures, oral presentations, round tables and poster exhibitions. Additionally, the participants will have the opportunity to learn about the culture, history and social life of our University of Havana on its 296th Anniversary, as well as the Cuban capital, in a climate of hospitality that will make their stay fruitful and pleasant and unforgettable.

Rules for presentations

Abstracts will be uploaded to the event website (convencion.uh.cu) during registration. The Scientific Committee will review the works and decide on its acceptance

Only one abstract is permitted as first author. Abstracts should adhere to the following format: title (in all capital letters, centered and limited to 20 words), author(s) with the name of the speaker underlined, institution(s), email address, country, the proposed thematic area for the work, the preferred mode for presentation (poster or oral presentation). Each abstract should be no more than 250 words, in 12-point Arial font, single spaced, written in Word version 6.0 or higher, and should include: introduction, objectives, methods, results and conclusions. Submissions should not contain citations or bibliographical references. Only works whose first authors who have paid the corresponding registration fee can be presented at the congress.
