## CALL FOR PAPERS

### **Symposium "Social Sciences in Context: Contributions of the Latin American Faculty of Social Sciences".**

**Havana, May 31st and June 1st, 2023**

The Latin American Faculty of Social Sciences of the University of Havana convenes the Symposium "Social Sciences in Context: Contributions of the Latin American Faculty of Social Sciences", to be held on May 31 and June 1, 2023 within the framework of the International Scientific Convention "Saber UH".

Its main objectives will be to discuss theoretical aspects and experiences associated with the legacy of the Cuban Revolution to the revolutionary movement and the social sciences during its first decade, the changes that have taken place in Cuban social policies in the context of the updating of the economic and social model and its effects on society, and the realities of children and adolescents that jeopardize their status as subjects of rights.

Likewise, the space proposes to connect this dialogue of knowledge with an exchange of experiences and practices of social inclusion carried out at Quinta de los Molinos.

#### **Topics:**

- Politics and development in the Cuban Revolution
- Social policies in the updating of the Cuban economic and social model.
- Childhood and adolescence: between rights and vulnerabilities

#### **Scientific activities:**

- Panel
- Workshops
- Exchange of experiences

#### **Locations of the event:**

- Cuban United Nations Association
- Quinta de los Molinos Project

#### **Submission and publication guidelines:**

Abstracts will be uploaded to the event website during registration, in Word format, in single paragraph with no more than 250 words, excluding title and affiliation.

Title: in bold letters

Authors: name and surname, underline the author presenting the paper, refer to the presenter's e-mail, ORCID code, affiliation of all authors with superscript number after the name and put each institution of origin below.

Structure of the abstract: background, objectives, results and conclusions.

For more information on the characteristics of the abstract, check the convention web page.

The review of the papers will be carried out by the Scientific Committee, which will decide on their acceptance and mode of presentation: oral, poster or online.

The selected papers may be published in the journals of the University of Havana following its rules.

**Official language:** Spanish
