

The Biomaterials Center of the University of Havana invites you to participate in the

Workshop on clinical applications of biomaterials

May 31 - June 2

That will be held within the framework of the *International Scientific Convention of the University of Havana Saber UH 2023*, from May 29 to June 2.

The workshop will be an excellent space for debate and updating on techniques and the use of biomaterials, especially those developed by our Center, and for prominent national and foreign health professionals to share their experiences. Different applications of biomaterials will be addressed, their effectiveness in comparison with other treatments, application techniques and cases of study; as well as, new materials and their applications.

Instructions for presentation and publication of works:

The official languages of the Convention are Spanish and English.

Abstracts will be uploaded to the event website during registration, in Word format, in single paragraph with no more than 250 words, excluding title and affiliation.

Title: in bold letters

Authors: name and surname, underline the author presenting the paper, include the presenter's e-mail address and the affiliation of all authors with superscript number after the name and include each institution of origin below

Abstract: Must include introduction, objectives, results, conclusions, and bibliography.

For more information on the characteristics of the abstract, visit the convention website:

www.convencionuh.com or convencion.uh.cu
